

ST. TROPEZ SOFT DEEP SEATING

MATERIALS

White Aluminum & White Sling

Tabletops and Details in Teak

Beige Dralon Cushions

St. Tropez is made of Textilene® brand sling, a superior all-weather fabric made of woven vinyl-coated polyester yarn, is especially beneficial for use in outdoor furniture. It is strong and durable, fade and mildew resistant, breathable and easy to clean. When stretched between TGI's corrosion resistant, fully welded, powder coated aluminum frames, Textilene® provides unparalleled seating comfort by molding to your body shape.

The Teak tabletops and details is superior, achieved by kiln drying and machine crafting, produce TGI teak furniture that is maintenance free and designed to last a lifetime.
